

# Class of 2007 GPA Distribution

Upon Completion of Fall Semester 2004  
(129 Students)

**Please note that the range of GPA distribution for most of the class is narrow. The difference between the cumulative GPA for a student at the bottom of the top third of the class (66%ile) and the cumulative GPA for a student at the top of the bottom third of the class (33%ile) is only .367 on a 4.00 scale.**
